HOOF TRIMMING
During my 20 years experience, I developed a way & designed tools & equipment to trim cows hoofs better & faster than anyone else. My way is easier on the cow & the farmer and I can prove it to you. I have references from many satisfied customers, you can also be one of them. Serving the East Coast. For more information & demonstration call Simon,

NOTICE
Dangler & Williams arch support specialists from Ohio are now making regular trips to your area. (PA, DE, VA & MD).
They will be giving free footprints to see if you need arch supports.
The arch supports are hand crafted from a light-weight leather made from impressions of your feet. Your feet are like the foundation of a building. If you strain your feet, it can cause you to have trouble in other parts of the body.
Anyone interested in a free examination please contact us, write or call
