Rated First In Durability And Uniform Mixing

- **MODEL 353**
80 Bushel
- **MODEL 355**
100 Bushel
- **MODEL 358**
125 Bushel

In a recent survey, grinder-mixer owners were asked to list the important factors they looked for when buying a grinder-mixer. "Durability" was the most important feature with "uniform mixing" a very close second. These same owners then rated the various brands of grinder-mixers against these factors. Guess what? **First in both!**
New Holland was rated first in both categories. That won't surprise you after a quick inspection. You'll see tough, rugged construction — the type of construction that leads to years of dependable service. Inside you'll find a rugged hammermill and mixing auger for the kind of uniform mixing you'd expect from the industry leader.

Thinking Square Baler? Why Not Buy The Best?

NH 316 BALER

A Top Performer For Capacity & Bale Shape

Flow-Action[®] feeding systems provide high capacity and excellent bale shape. Feeder tines are mounted on a sturdy finger bar and engage the hay gently. These tines measure the right amount of hay and move it to the bale chamber. Reliable knotters go thousands of bales without a muss. They feature hard surfacing at important wear points and are easy to service and maintain.

We Are Offering One Of Our Most Popular Size Models, the 316 At A REDUCED PRICE w/Your Choice Of Throwers Or Chutes
