## TORQUE AMPLIFIERS, ETC.

Serving Customers Coast to Coast.

Complete TA assemblies for 706-1586 are priced at \$595 and come with a Dana Co Heavy Duty Sprag instead of the usual IH sprag. The Dana sprag is guaranteed for 2 years against failure. Sprag kits (includes sprag gear, Dana sprag, and piston carrier) and all items for rebuilding your own TA are available to qualified persons. Ramps and carriers for the older style TA's (as in SMTA, 340, 560) are priced at \$150 each and carry a 90 day guarantee. We have all the parts needed to rebuild your TA in stock at prices that will save you money. We also have a shop available for complete TA installation. Or, you may split your own tractor and bring the center housing to us, which we can rebuild while you wait (approx 4-6 hrs). We also stock New and Rebuilt Water Pumps, Dynlife Clutches, Pressure Plates, and PTO Drive Gears. (Spline-fit into pressure plates) for most IH tractors and combines.

**We are in need of TA & clutch cores for rebuilding purposes. If you have not returned your cores, please do so or call us for pickup. Dealers: We are paying cash for cores. If you have quantity, we will pick up.**
