

Deere Offers 0% Financing

MOLINE, Ill. — John Deere is offering zero-percent financing for up to two years on four-wheel-drive tractors. Buyers may choose a finance waiver or a discount instead of the waiver for all new four-wheel-drive tractors, regardless of when they were made. The offer is good until Dec. 31.

New 1984 or earlier models of four-wheel-drive tractors qualify for a finance waiver to Oct. 1, 1988. Buyers of 1985 and 1986 models

have until Oct. 1, 1987, before paying finance charges.

The waiver and the retail price discount in lieu of the waiver are approximately equal in value, but both are offered to provide attractive alternatives for anyone in the market for a new four-wheel-drive tractor.

Deere is also offering finance waivers until Oct. 1, 1987, on all eligible used four-wheel-drive tractors sold at retail.

Ritchie's Thermal Cover For Cold Weather

CONRAD, Iowa — Ritchie Industries' Thermal Cover is designed to easily convert all #5 Fountains (cattle and combination) to the Ritchie Challenger concept. The Thermal Cover is constructed of galvanized steel coated with the Ritchie CD-50 finish. It is designed for ease of installation by the farmer, and has two Challenger-type drink wells with Thermal Caps . . . extra insulation throughout . . . all designed to make the existing #5's already in the field more energy efficient.

For more information contact: Ritchie Industries, Inc., Box 730, Conrad, Iowa 50621. Call 800-247-0025 or Iowa 800-542-0001.

COME ON YOU GUYS MOVE OVER!

NOBODY HAS MORE HORSEPOWER UNDER FORTY.

Under forty horses, nobody sells more tractors than we do. One reason is simple. We give you more choices.

There are sixteen compact sizes, each a different model. One of them should fit you perfectly. And once you settle on the horsepower, there are still more choices.

Pick special options like 4-wheel drive, power steering or a hydraulic shuttle transmission. Or choose a Kubota-made implement, the best match for any of our Kubota tractors.

There are, however, a couple of decisions we've made for you. For example, Kubota's own liquid-

cooled diesel engine comes standard in every model. An advanced design, it's built for efficient operation. So a little horsepower works like more. We've also chosen the color.

KUBOTA
Nothing like it on earth.
