Mid-size power with big-size performance

Case International 885 Tractor

A Case International 885 tractor is a good choice for two reasons. It's the perfect No. 1 tractor on smaller operations, and ideal back-up power on larger acreages.

With 72 PTO hp*, the 885 more than pulls its weight. You'll like the exceptionally quick response and high torque rise of its clean-burning diesel engine. That extra torque translates into greater tire bite and more workpower. So whether you have a small or large operation, the 885 gives you what you need.

- 16-speed synchromesh transmission
- Independent 540/1000 RPM PTO
- Category II 3-point hitch
- Power steering, differential lock, planetary final drives
- Hydraulic disc brakes plus complete lighting and instrumentation

See the model that fills your needs — row-crop, utility, low-profile or Mechanical Front Drive (MFD)
