Dairy Sales And Dispersals

(Continued from Page A34)

daughter with a CTPI of plus 600. She produced a top record of 22,480 milk and 830 fat in 365 days.

Margie Ann Dick, secretarytreasurer of the Virginia Holstein Association, noted in previous years the sale was held inconjunction with the state show in Harrisonburg. This year it was moved to Rocky Mount and held separately. The criteria for consignments were also adjusted.

William Kent served as auctioneer for the event. The Virginia Holstein Association and Ownby Auction Company co-managed the sale. The WESTERN WISCONSIN SPRING CLASSIC averaged \$1,386 on 43 cows.

A 3-year-old cow by Marshfield Elevation Tony topped the sale by selling for \$2,250. Classified GP-83, her first record stands at 21,260 milk and 772 fat in 365 days.

Her dam, an EX-90 2E GMD sired by Kingstead Fond Hote, produced a top record of 19,780 milk with a 4 percent test and 796 fat in 346 days. She owns a lifetime record of 176,000 milk and 6,640 fat in 3,552 days.

Selling for \$2,075 and the second best price was an just-fresh 2 year old. Fresh March 1, the Bova

Charles Gable reported that the

PDCA judging school will be held

in Franklin County on July 14 and

15. The official judge for the event

will be Richard Keene. The Ayr-

shire Association is permitted to

send six to the school, he ex-

plained. Gable said PDCA needs to

before the spring sale.

daughter was producing 53 pounds of milk per day.

Her dam, a VG-86 Astronaut King daughter, produced a best record of 20,920 milk and 830 fat for a 4 percent test in 312 days. The next dam, EX-91, completed three records over 1,000 pounds of fat.

Keith Stump auctioneered the event and Alvin R. Piper Associates managed the sale.

The ROC-E-HILL COMPLETE DISPERSAL held in Missouri averaged \$1,340 on 84 cows and \$1,134 on the entire 124 head offered for sale, including the halflots.

A 6-year-old daughter of Marshfield Elevation Tony topped the sale with a bid of \$3,150. The second high bid, \$2,900, came on a just-fresh 2-year-old cow by Harmony Corners Duke.

The ZELSON FARM COM-PLETE DISPERSAL held in New York averaged \$1,230 on 102 head.

Topping the sale with a bid of \$4,500 was a 3-year-old Ijon daughter. Classified VG-86 and fresh one month, she completed a first-calf record of 17,193 milk and 648 fat.

Her yearling first calf sold for \$2,100 and her month-old heifer by Mel-EST Valiant Irose Melvin sold for \$1,100.

The sale topper's dam by Simpsons Apostle classified VG-88. She produced a top record of 25,751 milk and 1,020 fat. The next dam scored a VG-86 rating. A 5-year-old daughter of Marshfield Elevation Tony commanded the second high price of \$3,300. Classified VG-88, she owns a Cow Index of plus 793 milk and plus 34 fat. She completed a high record of 23,500 milk and 957 fat as a 3 year old. Her 2-month-old calf by Chief Mark sold for \$1,700.

Her dam, an EX-90 Pawnee Farm Arlinda Chief daughter, produced a high record of 26,000 milk and 1,100 fat with a 4.6 test.

Owner Wayne Hudson reported 18 animals were sold to Florida buyers, 19 animals sold to Pennsylvania buyers, and 11 animals sold to Texas buyers. It was a strong sale from beginning to end, he added.

The sale was held to dissolve a partnership between Hudson and his sister, Elaine Tompson. He plans to crop farm for the next year.

David Rama served as auctioneer and the Cattle Exchange managed the sale.

The 10TH GRANT-LAND SPRING CLASSIC held in Wisconsin averaged \$1,750 on 48 head, including seven calves which sold with their dam and were not counted as individual lots. In the sale, 21 milk cows averaged \$2,240. Eight bred heifers averaged \$1,694. The 26 calves and yearlings averaged \$1,327.94.

A just-fresh 2 year old sold for \$5,600, the high price of the sale. Sired by Bell, she owns a PTPI of plus 683. Her 2-day-old heifer calf by Walkway Chief Mark sold for \$1,700.

Lancester Startminut, Salardinut, Manah 21, 1983763988A

Her dam, a GP-84 Glendell daughter, produced a high record over 32,000 milk, 1,200 fat, and 1,000 protein as a 3 year old. She owns a Cow Index of plus 473 milk, plus 30 fat, plus \$76, with a CTPI of plus 504.

The next dam, EX-90, produced records with 4.1 and 4.3 percent test. Her lifetime milk record exceeds 100,000 milk.

A fancy September calf sold a bid of \$3,325 to register the second highest sale price. Sired by Hardy Starwars, she measured 48 inches at the withers on sale day.

Her dam, a GP-84 Chads Farm Starmaker daughter, produced a high record over 15,000 milk.

Sale chairman Kirk Novinski noted the sale averaged \$650 better than last year but the same as 1965. He explained that last year the sale was held two days before the accepted bids for the buyout program were announced. The timing causing many breeders to pull their consignments or consign their consignments or consign calves in anticipation of the program. Consequently, the numbers in the sale were down with calves accounting for a higher percent of the total sold.

Mike Snyder of Snyder-Hager Sales managed the sale and read pedigrees. Jerry Wilkinson volunteered his time and served as auctioneer.

Pa. Ayrshire Breeders

(Continued from Page A38)

1, 1986 to March 1, 1987, the association operated in the black and posted an ending balance of \$5,895.41.

Joseph Rudderow of Mount Laurel, N.J., was announced as a finalist in the outstanding national Ayrshire boy contest. He will represent the Pennsylvania Association at the national convention in Manchester, N.H., April 22 to 25.

Discussion concerning a possible name change of the associationj . . regard to last year's union with the New Jersey Ayrshire Association. The group decided to let a committee study the possibilities.

Keefer said the Spring Calf and Heifer sale will be held at the Bedford Fairgrounds on April 18. The association plans to catalog 36 animals for the event.

The group elected to join the Pennsylvania Agriculture Advisory Council of the College of Agriculture at Penn State.

Discussion was held on the feasibility of holding a spring show

Lt's Premium Green Diesel, from Agway Energy Products_{\otimes}. Ken Powell counts on it to keep his firm's costly off-road equipment running smoothly. The payback is performance through:

- Increased Mileage/Power/Engine Life
- Decreased Downtime/Maintenance/Gelling

Like Ken says, "We've had no problems with the fuel and the service is terrific $\ensuremath{\mathsf{"We've}}$

So, you've heard the case for Premium Green Diesel. Now, we'd like you to try a case of some of the best diesel motor oil around, too. It's FREE with your first fill-up. Return the coupon or call today.
