John Deere has made us a deal that will save you a bunch. Big pass-along savings on new John Deere 40- to 95-hp 50 Series Tractors are available to you right now. Come in and save big and then **save more** by waving finance charges good-bye to November 1, 1987. OR take a big discount in lieu of finance waiver.* There's also a finance waiver to April 1, 1987, on most used tractors.

*Availability of John Deere financing subject to approval of credit. This offer may be withdrawn at any time.

John Deere 200 Series Tractors

Ahead of their time, and still with the times

Nothing Runs Like a Deere®

John Deere 200 Series Tractors are pretty much the same as they were when they first came out. They were ahead of their time in features and value, so no big changes have been needed. Just things like styling changes.

But you still get fully modern features like variable-speed drive in all four gears. Triple-safety starting. Parking brake. Color-coded controls. Cushioned seat. Built-in headlights. Full welded-steel frame. Plus a variety of attachment options, including 38- and 46-inch mowers.

200 Series Tractors are as modern as any comparable tractor. They just have 12 years of experience behind them! Stop in and see them, 10-, 12-, 14- and 16-hp models. Quiet, smooth-running and proven.

After 150 years,
John Deere
is still John Deere.
That's just one reason
we're glad we still sell
John Deere Equipment

For 150 years, John Deere equipment has been the best. That's why we tied up with John Deere. Well, that hasn't changed. We're still glad we sell John Deere. We wouldn't settle for less.
