Ag-Bag Compacts more feed per ton than others. Do not be misled, others claim to have a bag of equal quality. Our bag formulation has yet to be duplicated. Ag-Bag Corporation closely monitors the manufacturing process and specially prepared resin formulas necessary in producing lasting and durable Ag-Bags. Competitive bags show that nitrogenous gases have escaped from other bags leaving it a yellow color. Proving they do not have airtight feed storage bag to give you true sealed storage, like the Ag-Bag bags offer.
