

We Start More Tractors Than John Deere, Kubota And Ford Put Together.

To keep farms running like well-oiled machines, farmers need well-oiled machinery. And, from time to time, that means new machinery.

Farm Credit can help you with a special equipment loan. For a tractor or combine. A baler, harvester or loader. Even a new pick-up truck.

Right now, our rates are as competitive as ever. And our terms won't remind you of a tractor pull.

Farm Credit has been helping farmers start their farms, and keep them running, for 70 years. With loans for land, houses, seed and fertilizer, as well as new equipment.

There's a good reason why we want farmers to prosper. It's because we're farmers, too. Farm Credit is owned and controlled by the same farmers who use its services.

Which probably explains why we've started more John Deeres, Kubotas and Fords than anyone else in the field.
