

THE TRACTION MASTER...

In Stock And Waiting For You

NEW CASE IH 3394 162 H.P. Constant Traction Tractor

Constant Traction
MFD gives you
more go power
from spring
thaw to
fall freeze

Exclusive Case International Intelligence Center enables you to be more productive by giving you a digital readout on true ground speed and the percent of wheel slippage. It also enables you to weight your 3394 properly for top performance in a given condition. And with the standard 24-speed power shift transmission you can fine-tune your ground speed to get top performance from all your equipment.

Standard equipment includes a 3-point hitch, swinging drawbar, 1000 RPM independent PTO, the Case International pressure-flow compensated CON TROL hydraulic system plus unexcelled comfort and convenience.

Quick Facts:

3394: 162 PTO hp* (120 kW), 6-cylinder turbocharged diesel, 504 cu. in. (8.25 L) displacement. Speeds: 24F/3R. Category III 3-point hitch.

Case International 50 & 60 Shredders

Use a Case International shredder to fine shred heavy tough cotton, corn or sorghum stalks to speed decomposition, ease your tillage, planting and cultivating work. They're also useful for clipping pastures, shredding weeds, tall grass or brush. And they actually require less power to operate because knives are spral mounted around the rotor.

- 2 sizes, 150 and 170 wide
- Shatter shear type knives can be reversed to match the job, blunt edge shatters stalks completely
- Wheels easily adjust up or down for cutting height in and out to match row spacings, end wheel inspection, full model
- Safety features include shielded drive gear, extended end sheet, front mounted curtain
