

# A NEW FORCE EMERGES

Two very strong agricultural and industrial companies, that trace their roots to the turn of the century, join forces to serve you better as

## FORD NEW HOLLAND, INC.

The name signifies good things to come. Few companies have the financial strength and vision to expand and reshape their operations in turbulent times. Ford Motor Company has done exactly that. With the acquisition of New Holland and restructuring of Ford Tractor Operations, Ford has created a new organization that will be known around the world and Ford New Holland. The organization will consist of many Ford companies. The merging of the Ford and New Holland names is a powerful statement about our commitment to continue to be first with the best. Today and in the future.
