

TRACTORS

385 • 485 • 585 • 685 • 885 TRACTORS

/35 to 72 PTO HP (26.1 to 53.7 kW)

New! A complete line of mid-power tractors offers new comfort, convenience and productivity.

Unlimited visibility in every direction.

The new cabs on the 585, 685 and 885 models feature exceptional visibility. For greater operator efficiency, there's an almost unbroken line of vision all around, including clear view of the hitch and drawbar. There's plenty of big-tractor comfort and convenience, too, with a fully adjustable seat and controls that are close at hand. You can enter or leave the cab from either side through doors that open easily with gas-assist cylinders. The cab is quiet, too, with deluxe padding all around.

Easy operating convenience.

To maximize your productivity without clutching, all five 85 Series tractors can be equipped with electro-hydraulic two-speed power shift,

controlled by a dash-mounted toggle switch. The power shift system provides for a fast shift speed reduction which increases pull power and field performance. Fields speeds, as well as loader and hauling speeds, meet your everyday needs. Power shift is standard on the 885, optional on other models.

Traction boosting MFD

is available on all 85 Series row-crop and utility tractors. Simple, reliable center-line Mechanical Front Drive increases your traction and your pulling power. Shift in and out of MFD on the go with electro-hydraulic ease (optional on 385 and 485 tractors).
