MILK AMERICA'S HEALTH KICK™

"E" for effort "A" for quality

Hesston Beeline Baler with hydraulic-driven Bale Thrower...a "strike" every time!

Hesston's 14" x 18" baler saves time and labor, especially when it's equipped with an optional Bale Thrower. Thanks to centerline design the Model 4600 builds the straightest, squarest, 14" x 18" bales on the market. And since it employs Hesston's preformed flake concept, bales are uniform end-to-end with consistent density for better stacking, easy feeding.

The hydraulic-driven Bale Thrower saves time and labor. Direction control lets you fill your trailer side to side and throwing distance control means even filling front to rear. Bales can also be dropped on the ground without detaching the thrower.

NEW SHIPMENTS OF **5530's** ON THE WAY!

Plus... Check Out The All New Line Of **WINDROWERS**

- Model 1110 - 7 Ft.
- Model 1120 - 9 Ft., 3 In.
- 1170 16 Ft. Hydroswing
- 1160 14 Ft. Hydroswing

Now Hesston brings you round bale convenience, sized and priced for smaller farms.

The Hesston Model 5530 Round Baler is a convenient-sized baler that lets you build high-density 39" x 54" bales, weighing up to 550 lbs. with a 30 PTO hp tractor!

Like the larger Hesston Balers, the 5530 offers a direct-feeding open throat and vertical bale chamber for fast bale starts and easy operation. And depending on crop and moisture conditions, you can bale up to seven tons per hour!

If you're looking for round bale convenience and capacity, without having to look for more tractor power, look at Hesston's 5530 Round Baler at your Hesston dealer today.
