## INTRODUCING THE NEW B SERIES SPREADERS FROM HEDLUND/MARTIN

Hedlund/Martin is well-known for innovative manure spreader design. And these new B Series box spreaders are no exception. They're tough, dependable performers with advanced features built right in.

Like the Clad-Tuff® flooring with a super-slick surface, so loads glide out

smoothly without undue stress on drives and apron chains. Roller-chain drive for positive action—with double shear bolt protection. Straight line frame for maximum strength. And beater blades bolted in a "rooster comb" pattern to deliver consistent and thorough shredding. There's even a full 10-year warranty on the copper-bearing steel sides.

So if you're in the market for a new spreader, look into the newest shape in

performance-engineered efficiency. Look into the new B Series spreaders from Hedlund/Martin.

Inexpensive B Series spreaders are available in six different models. One just right for your farming operation. See them on display at your local Hedlund/Martin dealer.
