**CLASS II FITTING**  
**11th Grade**  
 1 Sherry Donmoyer, 2 Tammy Balthaser,

3. Adam Sonnen.  
**CLASS II SHOWMANSHIP**  
**11th Grade**  
 1 Jeff Bollinger, 2 Adam Sonnen, 3 Tammy Balthaser

## In Appreciation of AMERICAN DAIRY FARMERS

### VIGORTONE DAIRY LACTATOR LINE OF PREMIX PRODUCTS LETS YOU MILK YOUR COWS FOR ALL THEY'RE WORTH.

Increased levels of magnesium, vitamin E and selenium, plus the right amounts of calcium, phosphorus, vitamins, trace minerals, energy and protein are needed to fortify home-grown feedstuffs into rations that meet today's increased nutritional demands and production goals

Your Vigortone representative will uncomplicate the process by computer balancing "optimum-profit rations" for your farm. Absolutely free

No 'one' premix is right for every operation. Vigortone has more than a dozen different products. Because it can take several different premixes to meet your individual needs for maximizing performance in your operation.

Phone us today **1-800-553-1712**. We'll send you information on Vigortone's ProductionLine™ premixes and put you in touch with the local Vigortone representative. Vigortone—the part of the ration that makes the ration.

#### INCREASED LEVELS OF MAGNESIUM, VITAMIN E AND SELENIUM.

## Fabral Roofing and Siding shows its true colors off the farm, too.

**GRANDRIB 3 GALVANIZED STEEL**  
 Grandrib 3 has a full 36" coverage with 1/2" deep ribs every 9". The rib's depth and placement give it exceptional rain carrying capacity. Anti-siphon side lap makes it virtually leak proof.

Whether used alone or incorporated with other building materials, Fabral Roofing and Siding Panels provide the attractive appearance required for today's off farm building. Their engineered profile design and high strength metal make them extremely strong and durable. Available in a variety of attractive colors, Fabral's painted panels have a baked on weather resistant finish that retains its original beauty for years. To complete the building, Fabral stocks a full line of color matched accessories and fasteners.

**CORRUGATED**  
 Both Fabral's 2 1/4" by 1/2" and 2 1/2" by 1/2" Corrugated Panels are available in both Galvanized Steel and Aluminum. Years of use have proven these panels to have excellent rain carrying capacity. They will withstand years of weathering with a minimum of maintenance.
