## AXIAL-FLOW COMBINE OWNERS SPEAK OUT ABOUT HOOBER COMBINE SERVICE

### HOOBER'S COMBINE SERVICE SPECIALISTS ARE EXPERIENCED IN ALL CROPS AND MOST ALL FIELD CONDITIONS

We Asked Our Combine Service Customers  
This Question:

*"What Can C.B. Hooper & Son, Inc.  
Do To Improve Our Service To You?"*

Here Are A Few Replies.

I really can't think of any one thing to improve on. I'm sure there are a few, but I've always found when I needed advice, parts or service someone would try to help day or night. If all dealerships would try as hard as you guys, farmers would be better off.

All of your personnel have a good disposition and a genuine interest in my problem. If I can't figure out my problem in 10-15 minutes, or don't know where to start, I call Don Carper. He usually tells me immediately how to solve my problem, but if he can't he gets me the solution via 2-way radio from Ken Diller. No question is stupid, even if you asked it last year & forgot it.

You are doing an excellent job. I don't know what more a farmer could want from a dealer!

Dolomite Construction Co. is also in a service oriented business. I would only hope that my customers feel as satisfied with our service as I am with yours. In the farm business, you are the best we do business with.

Not all places we walk into do we get the attitude that the people behind the counter want to solve your problem.

C.B. Hooper is a pleasant place to do business. Everyone is very courteous. We have no complaints at all. Ken Diller really knows his combines & we appreciate his patience in explaining things to us. We would rate C.B. Hooper at the top of the list of businesses we deal with. Everyone is very honest & sincere, a rare quality nowadays in business.
