AGWAY ALFALEA

1990

1991...

LASTING VALUE

Not all varieties of alfalfa can endure year after year of bitter northeastern winters. But Agway has solved that problem. With four high-performance varieties especially bred for longevity and superior yields under your growing conditions.

Centurion—The newest variety is the first multipest-resistant alfalfa offered by Agway to demonstrate outstanding resistance to all of the Northeast's major diseases: Verticillium Wilt, Phytophthora Root Rot, Anthracnose, Fusarium Wilt and Bacterial Wilt.

Excalibur—The premier Verticillium Wilt-resistant alfalfa in the Northeast.

Sparta—Outstanding yields, plus excellent resistance to Bacterial Wilt and Verticillium Wilt, and moderate resistance to Phytophthora Root Rot and Fusarium Wilt.

Blazer—High yielder, resistant to Bacterial Wilt and Phytophthora Root Rot.

Excalibur, Blazer, Sparta and new Centurion are available exclusively in the Northeast from your Agway store or Farm Enterprise Salesperson.

Working for people who work the land.
