

Excellent Manure Management Technology... In An Attractive Blue Package!

You know about the benefits of a Slurrystore® System from Penn Jersey —

- labor savings
- improved soil condition
- fertilizer savings
- odor and fly control
- safety

But have you considered appearance?

Minimize manure-handling headaches while preserving the attractive appearance of your farmstead —

With a Slurrystore System from Penn Jersey!

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application to a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather and other conditions present at the individual location.
