# MAGNUM

## Introducing the first all-new tractors from Case

Case IH put more into the new MAGNUM tractor line than any farm tractors developed in over twenty years. Here's why you'll get more out of it:

**MAGNUM means more.** Outstanding field performance from a new 505 cubic inch turbocharged engine with reserve power. MAGNUM power.

The MAGNUM tractor's power puts 18-speeds of shift-on-the-workpower at your fingertips. And only MAGNUM tractors offer a full powershift creep mission with six additional speeds from .5 to 2.1 mph for more control and performance. MAGNUM performance.
