 • Replaces A38411 **\$42.95**

*You Can't Find A Better Built Battery*

**Bone Dry charging assures you a really fresh battery**

Case International Bone Dry charged batteries are truly factory fresh when you buy them at your Case International dealership.

Why?

Because Bone Dry charged batteries have negative plates that are vacuum steam dried, plus positive plates that are oven dried so not one drop of electrolyte is present during shipping and storage.

**Hybrid construction... another Case International plus!**

All Case International batteries feature Hybrid Construction. Lead calcium and lead antimony grids are alternated within each cell. This construction gives Case International batteries improved charging capacity compared to conventional maintenance free batteries... and it holds gassing to a minimum.

**See Us Today For Your Quality Case IH Battery**

**case ih LUBRICANTS**

Now's the time to stop by and stock up. We have top quality Case IH lubricants for every need on the farm and on the road. You'll save on Hy-Tran® Plus hydraulic - transmission fluid, reformulated for total protection of Case, IH, and Case IH equipment. And for your hard-working engine, save on Case IH No. 1® engine oil, made to defend engines against sulfuric acid corrosion.
