It takes performance to tame today's tough forage jobs:

YOU & VAN DALE.

Forage season — the time of year when you've got one eye on the weather and the other on your crop. Time everything just right and it'll mean dollars in your pocket later on.
 The payoff comes at feeding time, and that's when you can count on Van Dale to deliver quality forage to your herd. Van Dale equipment performs when you need it to...Van Dale silo unloaders that really dig in, even at -20°F; Van Dale conveyors and feeders that let you feed more animals in less time; and Van Dale mixers that can actually improve the value of your ration.
 To tame tough forage jobs on your farm, team up with a tough partner: Van Dale!

Performance for tough silo-unloading jobs:

Performance for tough ration-building jobs:

Performance for tough manure-handling jobs:

Performance for tough manure pumping jobs:

Agitator/Filler Pump
