And they were worth waiting for!

MAGNUM Power

MAGNUM Performance

MAGNUM Comfort

MAGNUM means more power. All-new 505 cubic inch engines provide higher torque use in your choice of four models with 130, 150, 170 and 195 PTO hp (97, 112, 127 and 145 KW).

Full powershift puts 18-speeds of shift-on-the-go workpower at your fingertips. Standard on all four MAGNUM tractors. Optional creeper transmission provides six more speeds for special needs.

MAGNUM tractor cabs give you more comfort and efficiency every working minute. 17% more glass, the sloping hood, and the hidden exhaust system provide unobstructed visibility.
