

# BRANDED

Quality means  
**HARVESTORE®**  
**BRANDED** parts  
combined with  
authorized  
dealer service.

HARVESTORE BRANDED™ quality goes beyond words. It's performance. . .day after day. It's strict adherence to rigid specifications. It's the perfect meshing of gears for optimum efficiency.

Your equipment can tell the difference. Inferior parts wear out sooner and make management inefficient.

And the wrong service often means long delays that end up costing you more in the long run.

Your authorized independent Harvestore Systems dealer has access to factory bulletins, up-to-date parts lists, and upgrade kits NO ONE ELSE does! He's the ONLY place for genuine warranted HARVESTORE BRANDED parts and service. For performance and efficiency, give him a call.

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application to a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather and other conditions present at the individual location.
