

Farm Women Societies

Lancaster Society 13

Society of Farm Women 13 met at Dorothy Leaman's home on January 9. Beulah Diffenbach and Thelma Wenzel were co-guestesses. The meeting was called to order by Ruth Schroeder, newly elected president. Roll call was answered by 16 members, who stated one trait they admired most in a friend.

Business for the day included nominating Betty Parks to lead the Sunshine Committee, inducting Mae Forrest into the society, planning the 1988 Christmas Banquet to be held at Ronks Fire Hall, and reporting donations to the Ronks Fire Company, Christ's Home, and a needy family. The next meeting will be on

Lancaster Society 4

Society of Farm Women 4 recently met at the home of Shirley Newcomer in Mountville. Florence Garber was co-hostess. The delegates to the convention, Betty Robinson and Lorna King, gave a comprehensive report of the event.

The society listened to a safety program given by Craig Shroll of New Holland. Shroll, owner of Fire Con, a consulting and training firm on fire protection, spoke on home fire protection, escape planning, and how to use a fire extinguisher.

"The key to protection is individual action," Shroll told members. He noted that on an average day in America, 16 people will die of and

February 13 at Laura Denlinger's home. Ruth Schroeder and Grace Bigler will act as co-hostesses.

80 will be injured in fire-related incidents. In addition, 2,000 residential fires will break out.

In other business, members discussed possible county projects. The society favored juvenile diabetes and juvenile leukemia. Mrs. Newcomer will take the group's suggestions to the county board meeting.

Betty Siegrist, special activities chairman, told the group that there will be a bus tour to Washington, which will include a cruise on the Patomac to Mount Vernon. The tour is scheduled for this fall. Detail to come in March.

The Spring Rally will be held in May, with Cambria, Huntingdon, and Greene Counties hosting.

The next meeting will be February 27 at the Mountville Library.

Each member is asked to bring a sample of something they have quilted.

DE LAVAL

THE DAIRYMAN'S CHOICE

DE LAVAL The DeLaval® FEED CAR Stanchion Feeder

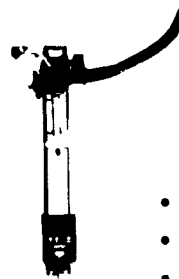

NOW... All the advantages of automatic individually controlled feeding is available for stanchion and tie-stall barns.

The principle of feeding little and often is now available and affordable. Now 30-40 cow operators can have the same benefits as large operators. You can give each cow an individually programmed ration based on milk production, stage of lactation and other factors you want to consider, feed small amounts up to 10 times every 24 hours. It's accurate and automatic, feeds 4-to-5 cows per minute with one or two types of feed; and has optional automatic refill. Travels around your barn on an overhead monorail. Owners report it can pay for itself in 18 months or less!
