

Other Banks Will Lend You Money, Weather Permitting.

When it suits their profit motives, commercial banks are happy to make farm loans.

But let the least little cloud appear and their interest in you quickly disappears.

Farm Credit, on the other hand, has stood by farmers through all kinds of weather. For 70 years.

We've stood by you in the apple

orchard and the hen house. In the potato field and tobacco barn. Something other bank officers find hard to do from behind a desk.

And because Farm Credit is owned and controlled by the farmers who use its services, you'll never talk to anyone who doesn't know a disc harrow from a wheel barrow.

So the next time you need a

loan, you could take a chance on a fair weather friend. And maybe you'll come out okay.

But in the long run, you're better off with someone who's with you, rain or shine.
