**Like to get a 5-year warranty,
sure-footed tracking and 180° tongue
swivel on your next running gear?**

Then ask for Unverferth. That's right, our precisely built, road-ready, 8- and 10-ton wagon running gears come with a full, 5-year warranty and much more. For example:

To give you years of safe, worry-free service, we incorporate features like all-welded construction with extra bracing, pivot point grease fittings, and renewable bushings in the steering and front spindles.

And, to help keep those years of service safe, we use a specially aligned frame for smooth, straight trailing and 180° tongue swivel and innovative low-profile design for added maneuverability and unmatched stability...even on hillsides.
