## ADDED-FAT DAIRY NUTRITION

Our "MAXI-TECH 32 F.F." Performance Has Proven That Investing \$40 to \$80 Per Lactation Towards Added-Fat Nutrition, Can Return \$100 to \$200 In Added Milk.

If You Are Not Feeding A Properly Balanced, Added-Fat Diet... "MAXI-TECH 32 F.F." Can Provide You With This Added \$60 to \$120 Profit Per Lactation.

- For Details On How High Energy Nutrition Can Improve Your Milk Profits, Ask Our Dairy Consultants For A Customized Nutritional Analysis.
