Vegetable growers: let air work for you with the Cannon from BERTHOUD

 The swivel head can be moved in any tractor seat

The Cannon aims chemicals on target every time! More air :

Its exceptionally powerful 39 inch fan delivers an air speed of 280 M PH Spray like the helicopters :

With the Cannons 130 ft spray swath and application rates down to 5 G PA

 Save time and money: By reducing field travel and ground compaction

• Improve penetration :

With the Cannons fine air mist that ruffles the leaves for complete coverage with no wasteful chemical run off

 Unlike no other 3 pt air machine the Cannons compact design gives it a close center of gravity to the tractor

the Worlas Leader in Air Blast Equipment!
