“Your By-Products Specialists” **WHAT ARE WET BREWERS GRAINS?**
By-Products from the brewing, food and other related industries represent a valuable source of nutrients. Miracle Feeds markets these by-products in their Corn and the United States.
The livestock producer can get through the Miracle Feeds custom tailored by-product feeding program designed to enhance production.
In the brewing, beer only the high quality End and other cereals are used. Wet brewers grain the portions of the grains that cannot be used in the production of beer. These by-products are high in protein, fiber, and energy. They provide a nutritious feed for livestock. End products, as well as other products.
