ALUMINUM GOOSENECK TRAILERS

20' Gooseneck Trailer

A versatile, lightweight, Eby aluminum stock trailer is built to provide years of maintenance free service. An Eby trailer is custom built to fit your individual hauling needs - No mass production! We use only quality components and strong alloy aluminum to manufacture what may be the last trailer you'll ever buy.

- **LIGHTWEIGHT** - Eby stock trailers are 25-35% lighter than comparable steel trailers. Less weight means better fuel mileage or increased payload.
- **MAINTENANCE** - Eby aluminum trailers won't rust. Welding and painting can cost you dollars in down time and repairs.
- **DURABILITY** - Eby trailers are built tough. Quality components and 6061 alloy aluminum provide the ruggedness required in a livestock trailer.
