(Continued from Page A3)

attributed to lower fed cattle and beef prices at noon.

CME FEEDER CATTLE SETTLEMENT PRICE: 7/11/88-\$73.04 unchanged.

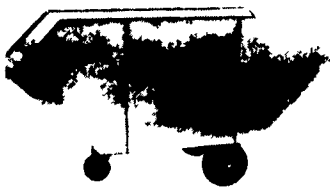

ACRES NEXT DAY OUTLOOK: cash -steady to weak

futures-steady to mixed.

ACRES HOG UPDATE: Live hogs closed sharply lower in the front months and from 15 to 93 points higher in the deferreds. Deferred strength was once again tied to drought spreads while front weakness was attributed to cash fundamentals and higher feed costs. Further declines were pared by ideas that the return of hot and dry weather would keep marketings light.

ACRES NEXT DAY OUTLOOK: cash - steady to weak futures - steady to mixed.

A Real Work Horse Tuscarora Feed & Utility Cart
