

LOADERS DESIGNED BY TRACTOR DESIGNERS

■ John Deere loaders were designed by John Deere tractor and loader engineers. And solely for John Deere tractors. They aren't "fits all" designs.

■ We've got loaders to fit tractors from the 820 to the 4850. Economy models or the deluxe series with John Deere's Quik-Tatch™ system and self-leveling design. Stop in for a loader-tractor matchup.
