ACRES NEXT DAY OUT-LOOK: cash - steady to weak futures - steady to lower

ACRES HOG UPDATE: Live hog futures closed lower from 3 points to 38 points pressured by heavier than expected interior receipts and slack retail demand. Ideas that producers would continue to liquidate their stock pressured throughout the session. Bellies were supported by yesterday's weekly out of town storage report

along with buying linked to ideas recent losses were overdone.

**"DISEASE WAS EATING MY EARLY WHEAT ALIVE. P.L. ROHRER & BRO., INC. HELPED ME FIGHT BACK WITH TWAIN."**

The best way to win the battle against disease is to plant a winner like Twain. Twain's an early maturing soft red winter wheat that offers excellent protection against viral and soil borne diseases, plus very good protection against foliar disease. And Twain's a big winner in yield, too. This season, fight back and win. See us for details.
