ties in modeling, public speaking, and fashion knowledge. Third place winner was Eric County's Sharon Blore and Valeria Bush illustrating what they have learned in the project "Marvels of Microwave." They pointed out equipment features and uses of microwave ovens. Fourth place Crawford County winners Ardis Kliber and Allison Kliber described the variety of activities their club has done within the community, including making lap robes and taking them to nursing homes and making mittens for needy children. Sharing sessions were judged on project's contribution to family life, quality and quantity of information about the project, and creativity of presentation.
