Value that's tough to beat

Cub Cadet's garden tractor lets you choose tough tractor performance at a lower price. A cast-iron front axle, full-length twin channel steel frame, and Kohler's dependable engine all add up to long-lasting durability. And for your toughest chores, there's a variety of optional attachments available to give you the most tractor for your money.

Take a test drive today. Cub Cadet is one value that's tough to beat.

We Ship Parts UPS Daily

We can save you time and work.

You get total performance when you harvest your crops with a Model 900 forage harvester. Total performance begins at the cutterhead. The 12 knives of the 21-inch cutterhead give you uniformly cut high-quality forage. Other features on the 900 include:

- Metalert™ II electronic metal detector - protects cutterhead and your valuable animals
- Electromagnetic clutches - give instant response in controlling feedroll and attachment drives
- Easy-adjust shearbar - makes adjustment fast and precise.

Don't take chances on a breakdown in the middle of your harvest. See us today about replacing that old worn-out round baler with a Model 848. It features a roll-floor design for sure, fast core formation and increased base density. The 848 makes bales 4 feet wide and up to 4½ feet in diameter with a bale weight of 850 pounds. Choose one of four types of methods: manual, hydraulic, electric or Memory Wrap™ with Bale Command™. See us today.
