

We Put More Men In The Field Than The United States Army.

Currently, Uncle Sam keeps around 300,000 army soldiers on active duty.

Farm Credit, on the other hand, helps keep over 2 million farmers on active duty. With more loans for more farming needs than any other lending institution.

For many of you, we've been there from the beginning. With money for land, as well as your house and barn.

We help stock the farm, too. With loans for everything from cows to catfish. Seeds to saplings. Fertilizer to fencing.

And when it's time for a new tractor or pick-up, just call us to get the wheels turning.

Farming has been our only field of interest for seventy years. That's because we're farmers too. Farm Credit is owned and controlled by the same farmers who use its services.

What's more, come rain or shine, we'll stick by you in any kind of weather. And when you think about it, that's reason enough to join our ranks. 🏠
