**HESSTON THE PRIME LINE**

**Have It Your Way - Versatility With Economy!**

- Presenting the **NEW**
- Hesston Model 1110 - 7'3" cut
  - Hesston Model 1120 - 9'3" cut

These new Hesston pull-type mower-conditioners are designed to cut fast, dry hay quickly and save the leaves.

The reliable halfswathbar sickle drive (1700 spm) cuts the crop quickly and the standard 4 bat reel (5 or 6 bats optional) delivers the crop directly to the full width, engaging conditioner rolls. Swath shield can be changed easily by moving one lever, and forming shields are adjustable for any size of windrow.

See all of the value-packed features of these outstanding Hesston-built machines at your dealer today!
