

# Delaware Extension Agents Win NACAA Awards

NEWARK, DE — Three cooperative extension agents from Delaware have been recognized by the National Association of County Agricultural Agents (NACAA) for their programs in crop production, career guidance and public information.

University of Delaware extension agricultural agent Derby Walker was one of four regional winners in a crop production program competition sponsored by Ciba-Geigy Corp. Walker was honored for developing and carrying out an outstanding educational program for watermelon growers. He received a certificate and a \$200 cash award.

First place regional honors went to Glenn Layton, former Delaware State College extension horticultural agent, for his career guidance program activities, particularly in the area of agribusiness. He was

Richard Barczewski

Derby Walker

Glenn Layton

awarded a plaque and \$250 from Ford New Holland, Inc., the sponsoring firm.

In a contest for public information programs, Rich Barczewski, University of Delaware extension agricultural agent, won a second place national award in the newsletter category for his quarterly, "Delaware Sheep New." He received a certificate and \$500. In the direct-mail category, he placed second regionally. Layton was third among regional winners in the slide set category. The sponsor of these communications awards was RJR Nabisco, Inc.

Layton also placed second in the region in the turfgrass/horticulture communications program competition, sponsored by Lesco, Inc.

The awards were presented at the annual NACAA national meeting in Charlotte, N.C., August 14-19.

# Brillion

## FLAIL SHREDDERS

TWO SIZES — 12 AND 15 FOOT CUTTING WIDTHS

**THIS HEAVY DUTY GEAR BOX IS THE HEART OF THE MACHINE**

The gear box on the Brillion flail shredder is made in Brillion's own modern foundry. It is then assembled with husky machine cut gears and tapered roller bearings. Input and output shafts are 1 3/4" diameter. The gear box is designed to match the horsepower of large tractors... to keep going when others heat up and quit.

Available in 540 RPM and 1000 RPM

When you buy a Brillion you get the BEST... built-in quality with added strength where it counts..all the way from the heavier hood with replaceable wear plates, right down to the dynamically balanced rotor with knives installed to provide smooth, vibration-free operation. With your Brillion you can cut and shred a full 12 or 15 foot of residue. And you can move right along without costly and time-consuming breakdowns. The rotor shaft is made of 1 3/4" steel. Drives between the gear box and pulleys are 2 3/4" high capacity tubing, shielded by a metal sleeve. The PTO shaft is integrally shielded with a dent-resistant plastic tube.
