GEHL

Fast and Easy

You get more jobs done faster and easier with a Gehl skid loader. It's because **Gehl's exclusive Load-Trak T-bar hand controls** are easy to operate with no complicated foot pedals to slow you down. As a result, you have greater maneuverability plus more precise bucket and drive control.

Inside and out, a Gehl skid loader is built for precision operation with additional user friendly features such as these:

- Built-in secondary operator restraint safety bar serves as a comfortable padded arm rest.
- Quick Lock attachment change gets you ready to go to work fast with the attachment of your choice: specialty and utility buckets, manure forks, back hoe, trencher, pallet fork, utility fork with grapple, tree digger, hydraulic auger and more.

- ROPS enclosure rolls back for easy serviceability, engine access is easy too.
- Self-lifting lift action keeps loads in the bucket. Stop in at your Gehl dealer and test drive a versatile Gehl skid loader. You'll see why it sets a fast pace on any job. Several models to choose from with 750 lb to 2,050 lb SAE operating capacities.

Convenient Gehl Finance can make your Gehl skid loader even more attractive and affordable with the low interest rates and payment options Gehl Company West Bend Wisconsin 53095.
