**Under the SUN**  
The miracles of natural products, combined with technology,  
promise a more profitable future for farmers.  
MIRACLE FEEDS, Inc., Your "By-Products Specialists", com-  
bines the miracle of nature with today's technology to bring you  
greater profits. One option is Wet Brewers Grains.  
WHAT ARE WET BREWERS GRAINS? In the brewing of beer,  
only the highest quality barley and other cereal grains are used. Wet  
brewers grains are the portion of the grains that remain following the  
extraction of carbohydrates that takes place in the brewing process.  
They provide protein, fat and energy as well as essential minerals —  
while lowering your feed cost.  
For FREE information about The Miracle Feeds Program write or  
call the office listed below. We'll do everything "Under the Sun" to  
help your feeding program.
