

Byers Re-Elected To FmHA County Committee

Joy Crothers, Rising Sun, Md., showed the grand champion Brown Swiss.

CLEONA (Lebanon) — Lloyd Byers is the newly re-elected member of the Lebanon-Dauphin County Farmers Home Administration committee. He will serve a three-year term.

Byers, a native of Dauphin County, and his wife, Dawn, own and operate a 300-acre dairy and crop farm in Middletown, Pa.

Other members of the FmHA County Committee include Larry Shade and Henry Martin.

The major functions of the committee include:

- Determining the eligibility of applicants for farm program type of loans, insured and guaranteed.

- Making recommendations on resolving problem farm cases.

- Conferring with the county supervisor on the servicing of FmHA loans and with respect to borrowers who should be referred to other credit sources.

- Making recommendations regarding applications for compromise, adjustments or cancellations of debts owned to FmHA.

The FmHA is a credit agency of the Department of Agriculture and makes farm loans for real estate and production purposes as well as for nonfarm enterprises that supplement family income. The Agency has over the years enabled

many farm families to stay on the land and succeed in farming.

The FmHA Cleona County Office provided more than \$2,231,000.00 in loans and grants for farm and housing programs during the past fiscal year. The County Office on 528 East Penn Avenue, is headed by Michael R. Orendo, county supervisor; Brian D. Pedrick, assistant county supervisor; Seda M. Kleinfelter, county loan technician; Linda C. Dohner, county office assistant; and Melva K. Herr, county office clerk.

The grand champion hog owned by Mike Mellott sold to Hatfield Packing for \$2.40/lb.
