**Try a MAGNUM tractor,
and see why MAGNUM means more.**

Case IH has put more into the MAGNUM tractor line than any farm tractors developed by any other company in over twenty years. Here's what you can expect from them:

MAGNUM power. You can count on outstanding field performance from the 505-cubic-inch turbo-charged engine that gives you over 8% more displacement than our leading competitor. With reserve

pulling power to carry you through.

MAGNUM performance. Case IH puts an 18-speed full powershift at your fingertips. That's 20% more than our leading competitor—for more precise speed selection.

MAGNUM comfort. The spacious cab has more window area—48 square feet—to give you more visibility. You also get more room and better seating.

And there's even more. Now MAGNUM tractors are covered by the best warranty in the business—5 years or 5,000 hours, whichever occurs first.* Your dealer has details.

It all adds up: Case IH MAGNUM tractors are setting new standards for the 130-195 PTO hp power range. See them now.

*Excluding tires which are covered by their own manufacturer's warranties. A \$200 deductible applies to each repair after the first year.
