

(Continued from Page D6)

viding the operator with a smooth ride over rough terrain.

### Operator Environment

Many new features for operator comfort, safety, and convenience have been engineered into the new 4WD Sound-Gard body. A four-post roll-over protective structure (ROPS) provides the superstructure for the enclosure. An oversized all-glass door makes entry easy. A one-piece front glass provides a wide, unobstructed view.

The new IntelliTrak® instrument panel with "state-of-art" electronics which monitors the engine, transmission, electrical, and hydraulic systems is standard equipment. An optional radar sensor activates a complete performance monitoring system, which displays percent of slip, true ground speed, and area covered.

Operator comfort is improved with a HydraCushion™ swivel seat (standard equipment) and a new interior air quality system which has been designed for comfort and

MT. AIRY, Md. — The Maryland Sheep Breeders' Association Annual Banquet Meeting will be held on October 15th at 6:30 p.m. in the Mt. Airy Fire Hall Activities Building located on Rt. 27 north of Interstate 70 at Twin Arch Road, Mt. Airy, Md.

easier servicing. A new interior color scheme and an optional new sound system with four speakers are additional features.

## Maryland Sheep Breeders Banquet Set

The evening will include a superb dinner with barbecue leg of lamb as the featured attraction. The speaker will be Dan Murphy from the National Wool Growers Association. Murphy is currently working on the National Lamb Check Off Program in Washington, D.C.

Important to all MSBA members will be the election of the association's officers and Board of Directors.

The fellowship with sheep and

wool growers and their friends will make this a delightful evening.

The cost of the banquet is \$8.50 for adults and \$6 for shepherds under the age of twelve. Reservations are necessary. Reservations and remittance must be received by George Pasley no later than October 5th.

For more information contact George Pasley, 14812-C Burnwoods Road, Glenwood, Md. 21738.

# MORE VALUE FOR YOUR DOLLAR

Compare the quality and features to the price on the New Idea 3600 Spreaders.

- One-piece copper bearing steel sides with culvert grade galvanizing for greater strength and durability
- Long lasting, durable Clad-Tuff floor with smooth fiberglass bonded to wood for freeze resistance and easier movement of the material to the beater.

- Constant velocity PTO joints for smoother, chatter-free operation.

Features you need at an affordable price. Check out the full line... seven models to choose from.
