QUALITY WORK AT OUR END MEANS QUALITY WORK AT YOURS.

The Melroe Company insists on maintaining the highest standards of quality in design and manufacturing in their versatile Bobcat loader line. Like municipalities, we demand high quality materials and workmanship, and that goes into every machine we build. Even with those stringent requirements, we supply you with a top quality loader at a competitive price.

That quality is reflected in ever-increasing demands for Bobcat loaders and attachments in every segment of the municipal industry. Bobcat durability, ease of operation and maintenance, comfort and safety, parts and service reliability, and a strong dealer support network, give you job performance that can't be equalled by any other loader.

The Melroe Company's dedication to building quality machines is your assurance of value and performance. Municipalities have learned to rely on Bobcat quality to help build their own business on that same reputation.

Quality work - we're in it together!
