

## Leer Crown Offers New Truck Cap

ELKHART, IN. — Leer's Crown 150 truck cap has radius single-bay windows and unique graphics for good looks while it protects your truck bed. Add optional black satin sport rails, and you've completed a truly exciting new look for your pickup.

All Crown series caps are made of rugged, easy-care fiberglass that won't crack or fade and is custom-matched to a variety of popular automotive paint styles. A choice of two-tone models also is available. And, like all Leer truck caps, Crown 150 models are backed by the company's exclusive True Lifetime Warranty.

Included on the option list are the pinstriping and a skylight window for extra style, a window boot that protects the cab window from the elements and reduces noise and a Tri-lite to help avoid rear-end collisions.

Leer is the nation's leading pro-

This truck cap has radius, single-bay windows and is made of rugged, easy-care fiberglass.

ducer of fiberglass and aluminum truck caps for all pickups, with 800 dealers coast to coast. For more information on Crown 150 mod-

els, write to: Leer, Inc., Dept. LR21, 28858 Ventura Drive, Elkhart, IN 46517, or call 800/321-LEER.

## Pioneer Promotes

### Agronomist To Manager

MT. JOY (Lancaster) — A field sales agronomist has assumed the position of field agronomy services manager in the northeast for Pioneer Hi-Bred International, Inc.

Ed Lazowski, formerly a field agronomist for Pioneer, recently filled the position that was formerly held by Bill Fleet, now Pioneer field sales manager.

As agronomy field sales manager, Lazowski will direct the activities of two other agronomists and will provide agronomic information to Pioneer customers in three sales districts that cover New Jersey, Maryland and Delaware.

"We've built a reputation for having personnel with expertise in agronomy to assist farmers who use Pioneer products," Weidman said. "Ed and other agronomists will continue that work and continue to improve our service to growers in the Northeast."

Lazowski is a graduate of Delaware Valley College in Doylestown, Pa. He earned a master's degree in agronomy from the Pennsylvania State University in 1986.

He and his wife Jennifer plan to relocate to the Mt. Joy area.

# IT'S MORE THAN ONE TRACTOR.

Here's one tractor that does more work than a half dozen tractors combined. Put it to work on any kind of farm chore. Plowing. Cultivating. Loading. Mowing. Backhoeing. Hauling. And, like we said, more.

The L3350 has a strong 4-cylinder diesel engine, rated at 32 PTO horsepower. It also has direct injection for good fuel economy and quick starts. Longer intervals between oil changes, too.

A couple of other features make this Kubota tractor a real workhorse. An 8 x 8 partially synchronized transmission for easy shifting. Position and draft control for more accurate implement placement.

So come in and take a look at the Kubota L3350. You'll think you're seeing double.

# KUBOTA®

Nothing like it on earth.™
