BRING OUT THE BEAUTY IN YOUR BEAST.

WITH PRO:LEAN PIG STARTER PLUS. It has more of everything weaned pigs need for superior health and appearance. More, in fact, than its popular predecessor Pro:Lean Pig Starter Pellets

- Higher energy and quality protein in each bite for faster growth
- More milk nutrients for more weight gain per pound of feed consumed.
- More vitamins and minerals, including the maximum allowable selenium level.

And it's pelleted, so they eat more, gain more, waste less and use less per pound of gain
For better looking pigs and profits, ask for Pig Starter Plus at your local Agway store or from your Agway Salesperson.
