the Brouwer seeder does it all...

- Seeds, Overseeds, Fertilizes
- Powered blades with adjustable depth seed slits at 2 1/2 in. spacing
- Offset wheels to cover seed
- Calibrated seed flow through stainless steel slides
- 5 hp engine and H.D. drive
- Adjustable fold-away operator handle for easy transport and storage

SEEDING

The exact placement of seed, in the right quantity, gives you the perfect seed bed for better germination and finer quality lawns

OVERSEED

Better results because the seed flow is carefully calibrated, the grooves cut and the seed covered.

OPTIONS

The choice is yours. The seeder can be bought with or without the overseeder unit or the fertilizer box. These can be added afterwards when needed.

and for those larger areas...

The Lawnmaker 67 seeder, is a larger capacity seeder/fertilizer ruggedly built. .to last It has adjustable teeth for loosening up hard soil and a levelling bar for uneven areas. There are stainless steel hopper bottoms and control slides, free floating suspension on two open mesh rollers, easy to reach controls, and it can seed up to 2 acres (0.8 ha) per hour. Designed to give outstanding performance.
