

REACH FOR THE SKY! FROM
 HOW NEW HOLLAND CAN DO FOR YOU

Reach for the sky!

**Unmatched
 dump reach.**

**Get it
 done fast!**

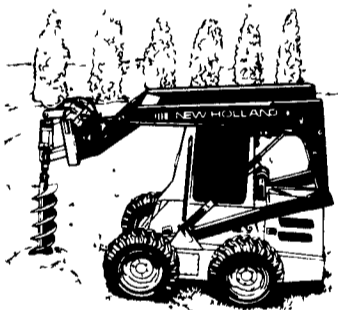

**This loader
 does it all.**

New Holland "Super Boom" loaders lift the payload forward as the boom rises. So you get more forward dump reach where you need it most. Extra dump reach means you can load the center of a tandem-axle dump truck.

Models range from 18 to 75 horsepower with SAE load ratings up to 2,050 pounds.

Ask us for a demonstration. You'll see how much better a skid-steer loader can be.

"Super Boom" loaders also feature a longer wheelbase for increased stability and fast cycle times for more productivity.
