

Farmers get only a small part of the money your parents pay for food. When your mom or dad buys a loaf of bread, the farmer gets only about 7 cents for the grain that he grew to make into bread (figures from Farm Facts).

We Want To Hear From You

Write and tell us about yourself. Do you have any pets? Did something funny or sad happen to you? What do you think of school,

homework and chores? Send your letters to "Kid's Korner" 1 East Main Street; P.O. Box 609, Ephrata, PA 17522.

Food in America is a good bargain. Sometimes people forget that many things they buy at the supermarket are not food. But they think of them as part of their food bill.
