BIG CAPACITY AT A DOWN-TO-EARTH PRICE!

In Stock At Pre-Season Prices!

Case International 8350 Mower Conditioner

If you want to process more hay faster, check out the Case International 8350 Mower Conditioner. It lets you make high-volume 12-foot cuts, while still leaving fast-drying nine-foot swaths. Or eliminate raking by adjusting the swath shield to form smooth, even windrows. All at a price you'd expect to pay for a smaller unit. You also get:

- Aggressive to gentle conditioning as needed
- Two augers for more even distribution across full width of the conditioner
- Counterbalanced springs for outstanding vertical and radial flotation
- Hydraulic cylinder for changing tongue from field to road position from tractor seat

For more output at less cost, come see us.
